

2nd International Baltic Symposium
on Science and Technology Education
(BalticSTE2017)

„SCIENCE AND TECHNOLOGY
EDUCATION: ENGAGING THE NEW
GENERATION“

12-15 June 2017, Šiauliai, Lithuania

SECOND ANNOUNCEMENT

Dear Colleagues,

On behalf of the organizing committee, we are delighted to welcome you to Šiauliai, Lithuania, for the II International Baltic Symposium on Science and Technology Education, BalticSTE 2017.

The Symposium will be held in Šiauliai (Lithuania) in June 2017 during days **12-15**.

We cordially encourage you to attend and contribute to one of the major events of 2017 on the field of science and technology education. We are confident that you will appreciate the scientific program and the city of Šiauliai. We look forward to seeing you in 2017 in Lithuania.

Organizers of the Symposium

Scientific Methodical Centre „Scientia Educologica“, Lithuania

Ways of Participation

- Oral Presentation
- Interactive Poster Presentation
- Workshop
- Listener

SHORT PAPER

(For the registration you are kindly invited to submit a short paper)

Delegates, who would like to present their work at the BalticSTE2017, are invited to submit a short paper for consideration by the Scientific Committee.

The proposal should be plain text typed in English and should be between 1 and 2/3 A4 page (approx. 500-1200 words). Texts margins: top and bottom 20mm, left - 25mm, right - 20mm.

The text must be elaborated in Word for Windows, using 11 point Times New Roman letters, line spacing – single.

Title of contribution

author(s) - name first then the family name;

affiliation: institution, city, country;

The main text that should contain:

1. Abstract (50-80 words, in 10 pt size) + keywords (3 - 5 keywords).
2. Introduction: Background, framework and purpose/research questions etc.
3. Methodology of research (study): General characteristics, sample, procedures, data analysis etc.
4. Results of Research
5. Conclusions and implications
6. References (Cited references only APA. Some examples can be found here:
<http://www.usq.edu.au/library/help/referencing/apa>)
7. Acknowledgements (if any)

The use of footnotes to the text is not recommended. The work should be written in an impersonal style.

One presenting author may submit only one short paper. A Short Paper which is more than 3 pages will be returned.

The Short Paper should be prepared as attractively as possible, much like a manuscript for journal submission.

None short paper will be published or presented as a poster without the payment of the registration fees

Please note that the Short Paper is not *required* in order to complete your *Symposium registration*. You can take part in the Symposium as a Listener.

Accepted Short Papers will be published in the BalticSTE2017 Proceedings (with an ISBN number)

For any question in regard to the submission process: balticste@gmail.com

FULL PAPER SUBMISSION

The authors are invited to submit a full papers. The submission will undergo a double blind peer review process and will be returned for revisions if necessary. Deadlines are indicated separately.

OPTIONS

SUBMISSION OF SCIENTIFIC / RESEARCH WORK

This type of submission is best suited for scholarly work and reports completed research (analytical, argumentative, theoretical papers etc.).
