PROBLEMS OF
PSYCHOLOGY
IN THE
21ST CENTURY

Dear colleagues,

We would like to invite articles for an international blind peer-review scientific journal (*Twenty second CFP*)

Problems of Psychology in the 21st Century
ISSN 2029-8587 (Print) ISSN 2538-7197 (Online)

<http://www.scientiasocialis.lt/ppc/> **2020: Vol. 14, No. 1; No. 2**

Papers submitted to PPC_22CFP_2020 should be original work and substantively different from papers that have been previously published or are under review in a journal or another peer-reviewed conference. We invite submission of papers describing innovative research on all aspects of psychology and related areas. Submitted papers will be assessed based on their novelty, technical quality, potential impact, and clarity of writing.

We advise you to use a **template** for paper preparation. You can download it from our website: <http://www.scientiasocialis.lt/ppc/node/6> (template for paper, Word format). Theoretical papers usually follow an argumentative pattern and are organised around the solution of a problem.

Last but not least

International journal „*Problems of Psychology in the 21st Century*“ is a high quality scientific journal which publishes original research on all areas of psychological sciences. The Journal welcomes the submission of manuscripts that meet the general criteria of significance and scientific excellence. Submitted papers will be assessed based on their novelty, scientific and technical quality, potential impact, and clarity of writing. All submissions will be checked by **iThenticate** before sending to reviewers. The publisher and journal have a policy of “Zero Tolerance on the Plagiarism”. PPC is an open access academic journal published semiannually.
