Resumen: El artículo analiza las condiciones laborales, las demandas de derechos y los activismos de género de las mujeres en las artes del espectáculo en Argentina entre 2015 y 2020. Se exploran los desafíos que enfrentan estas mujeres en términos de igualdad de género, acceso a recursos y reconocimiento profesional. Se discuten las estrategias de resistencia y las formas de organización colectiva que surgen como respuesta a estas problemáticas.

Palabras clave: Mujeres, artes del espectáculo, condiciones laborales, activismos de género, Argentina.

Abstract: This article analyzes the labor conditions, demands for rights and gender activism of women in the performing arts in Argentina between 2015 and 2020. It explores the challenges these women face in terms of gender equality, access to resources and professional recognition. It discusses the strategies of resistance and the forms of collective organization that arise as a response to these problems.

Keywords: Women, performing arts, labor conditions, gender activism, Argentina.
