Introduction

“ With time and patience the leaf of the mulberry becomes satin ”

(English proverb)

Yes, and that is right. At last the day has come. At last Azerbaijani people- who are historically known to have the deepest and most ancient roots have witnessed the Greatest Victory of Azerbaijan over Armenia.

44 days' war...

How few the days seem to be in figures! But can we say the same thing about the difficulties of those 44 days?

No matter how difficult it was, the Great Army of Azerbaijan could show all their strength and power over the enemy and fought against them bravely during the 44 days' war.

That is the day, the people of Azerbaijan have always dreamt of. That is the momentous event in our history which has changed everything greatly. Azerbaijan has at last been awarded by God. The

sufferings, abuses, and losses given by the Azerbaijani people have at last been rewarded. Thinking about all the difficulties on the way of Azerbaijani people to the Victory, it becomes quite clear that Azerbaijan is dearly loved much by her brave people, brave fathers, brave sons and brave soldiers. During more than 20 years of the Nagorno-Karabakh conflict most of Nagorno-Karabakh population unfortunately became refugees and lost everything they had: their homes, their relatives, their parents, sons and daughters. That is the case when a human being considers it to be impossible to continue living. But in spite of it, he is obliged to continue doing it!!!

All the atrocities, committed by Armenians in Khojaly on February 26, 1992, are actually known as genocide. So, fortunately, all the people all over the world began supporting Azerbaijan after Khojaly genocide. They all recognized Khojaly genocide and asked the world “ Justice for Khojaly ”.

Remembering 1990- s, exactly January 19-20, it is difficult to understand how the Soviet Army

attacked unarmed peaceful people of Azerbaijan on that day.

So many innocent people were killed and so many places were destroyed, devastated, ruined and mitigated by the Soviet soldiers. It was really difficult for Azerbaijan people to witness how the Soviet Army could kill these innocent men, women, children on their way for reaching their aim.

September 27, 2020... Armenians again attacked the peaceful population of Azerbaijan using their heavy artillery showing all kinds of atrocities they could in the territories of Azerbaijan. Under the command of our Great leader- the President of the Republic of Azerbaijan- Ilham Aliyev the powerful Azerbaijani Army at last showed the enemy their might and answered them in the same way.

So many innocent people- children, women and men of the territories attacked by Armenians lost their lives. So many Brave sons of Azerbaijan joined the Army voluntarily and fought against the enemy. And all the people of Azerbaijan united around the leader- Commander- in- chief Ilham Aliyev,- the President who has always been together with its people “ like an iron fist ”.

So much was done by our President. He did all his best to show and make the whole world understand that “Karabakh is Azerbaijan! ”. And at last could manage it.

Azerbaijani sons demonstrated the real bravery in the battle fields and destroyed the enemy’ s military divisions, fortresses, front positions, combat technology, infrastructure and military forces.

During the war the whole world could witness how the people and the President of the Republic of Azerbaijan united “ as a fist ”. Everybody- from children up to the elderly people did everything and showed as much financial and moral support to the Army as possible.

Looking forward to hearing any good news from the war, the Azerbaijani people supported the

President and inspired the Army, praying God for helping them to win in the war. God heard their voices and helped them in it.

During the war all the occupied territories by Armenians, such as, 5 cities, 4 provinces, 286 villages including Zangilan, Gubadly, Shusha, Lachin, Kalbajar, Aghdam, Fuzuly, the Khudafarin Bridge – the unique architectural monument of Azerbaijan and a lot of strategical heights were liberated.

So many experienced officers, as well as, youngest soldiers lost their lives and became martyrs during this war. So many families lost their sons, as well as, fathers, brothers and other relatives.

Yes, fighting against the enemy, they certainly knew they would win and probably knew they would die. But nothing could fear them and stop them from destroying everything belonging to the enemy. And only this wish led them to the battle field.

At last the Day of Victory- the 8th of November came. When our President announced us about it on television, that was the really momentous historical event.

Having looked forward to hearing this news- the news about Victory of Azerbaijan for already 30 years all the Azerbaijani people burst into tears of happiness, pride and joy. Happiness, pride and joy. Yes, it was the most unforgettable day in our history.

Conclusion

Due to our President- Ilham Aliyev and all the Martyrs and soldiers, Azerbaijan, at last, could gain the victory over the enemy.

We shall never forget our Martyrs!

Let them Rest in peace!

“ Karabakh is Azerbaijan ” – (Ilham Aliyev, the President of the Republic of Azerbaijan)
