

**SWEET HOME (Poem)**

Dr. Mallika Tripathi  
Asso. Professor & Head  
FGIET, Raebareli  
India

Home sweet home  
An exquisite creation,  
Standing tall on pillars of trust and emotions,  
Preserving the inhabitants from gust and commotions.  
Breathing, sharing, speaking,  
Dancing, rejoicing and rejuvenating.  
Singing the song of love,  
Worshipping the God above.  
Diffusing harmony in the air,  
Caressing everybody with care.  
A cherished dream of longing eyes,  
A bundle of love and ringing chimes.  
A long awaited desire, harbinger of peace,  
Nurturing the kids providing them ease.  
Sheltering even a small little squirrel,  
Keeping all out of quarrel.  
A heart beat that can only be heard,  
A sweet melody that is universally sung.  
Radiating light, reconciling the peer,  
Relishing the moments even too queer.  
Celebrating the birth, witnessing the pyre,  
Coming to the fore as a creator, preserver and destroyer.
