An inspired journey over decades

ABOUT US

The origin of the MHD family business dates back to a century, having been established in 1921. The proprietorship was converted to its present form of corporate entity in 1987.

MHD LLC. has established itself as a premier business house with diverse interest across established and emerging industries, at a time when the country witnessed significant growth and progress.

MHD LLC. is one of the largest business conglomerate in the Sultanate of Oman, having diverse trading interests, ranging from Automotive Products to Consumer Electronics; from Building Materials to Engineering Products; from Office Automation to Telecommunication products; from Industrial Gases to Projects; Construction to Oil and Gas, Logistics and Training Institutes.

MHD LLC. has over 50 Global Brand representations, along with the ISO 9001 accreditation which validates the standard and quality of the products and services that we provide.
