

Dr Rony Nair**Startup Stands**

No stops pave the way,
no electric pews,
no junk fishponds yonder,
or pewters that spew
the muck around.

shit masquerading
in romantic hues.

And all that remains is me.
Far away.
In need. Clingy. Alone.
Tainted. Division lines all drawn up
In Foil. In folly.
wrapped
in guilt and verisimilitude
And you've moved on.
To the next big cause

the next mother Teresa hue.

You Told me Once...

The refuse and the scarecrows and
the ponds that you crop
in a digital reel,
plays itself out. Its own tailpiece.

before we drop and we try
to tear ourselves anew,
you bite my neck and
draw blood/ and then talk about
those empty hands/those far sky banks!

Embedded.

Far away.

Dr Rony Nair is a poet, photographer and a part time columnist for several national dailies. His professional photography has been exhibited and his poetry, photography and writings have been featured and anthologized extensively including the Chiron Review, Kitaab, The Indian Express

Rony is a Proverse Poetry finalist in both 2017 and 2018 and has been published and anthologized across four continents.
