

## CORRIGENDUM

### Corrigendum: Cost per response analysis of repository corticotropin injection versus other alternative treatments for acute exacerbations of multiple sclerosis

#### Abstract

The authors wish to make the following corrections to their article:

Wan GJ, Chopra I, Niewoehner J, Hunter SF. Cost per response analysis of repository corticotropin injection versus other alternative treatments for acute exacerbations of multiple sclerosis. *Drugs in Context* 2020; 9: 2020-9-4.

DOI: [10.7573/dic.2020-9-4](https://doi.org/10.7573/dic.2020-9-4)

#### Corrigendum

The authors regret that there are errors in their original paper.

1. The following shows where original text has been removed (strikethrough) and new wording introduced (underlined).

#### Page 4, 'Discussion' section

RCI ~~is the only~~ remains the only other treatment indicated for the treatment of acute exacerbations of MS in adults by the US Food and Drug Administration.<sup>8</sup>

#### Page 2, 'Introduction' section

RCI ~~is the only~~ remains the only other therapy indicated for the treatment of acute exacerbations of MS in adults by the US Food and Drug Administration.<sup>8</sup>
